§341 Meeting of Creditors Audio Request Form

No written transcripts are maintained by the U. S. Bankruptcy Administrator's office, however, we do maintain audio recordings of §341 Meeting of Creditors for a period of two years from the date the meeting is conducted. There is no cost associated with requesting audio recordings

from our office. Requests for audio files are processed and uploaded to our website which can be listened to directly from our site or downloaded and saved to most computers and/or saved to writeable media such as CDs, DVD's, or flash drives.

To request an audio copy of §341 Meeting of Creditors, please complete this form and click the SEND button and we will promptly process your request. Please provide all of the information requested. Not providing the information above will prevent or delay processing your request.
